### COVID SAFETY PROTOCOLS @ FLYING CIRCUS

- Athletes , Coaches, Officials and Support Staff / Participants will be temperature screened upon arrival for all activities and Covid Waiver Form must be signed and on file for contact tracing mandates.
- Physical distancing guidelines will be in place and mask usage when appropriate in indoor activities.
- Athletes and Staff will be assigned to small groups on various pits, runways and apparatus areas to maximize the health of all participants.
- Only a limited number of support staff will be granted access to indoor facility activities area. Siblings and spectators and parents are encouraged to remain in our outdoor areas waiting areas for drop off and pick up of athletes.
- There will be a 30 minute safety pause between Open Sessions to prevent close contact.
- Reduced capacity of class size to meet the current New York State Guidelines for all indoor and outdoor activities.
- Disinfecting of Facility and Equipment everyday following classes.

I hereby give my permission for my child to participate in all activities at Hudson Valley Flying Circus, LLC. with these protocols in place.
